

Hello Everyone,

I have not tried to make contact up to now, since I was waiting on details from NLESD and the Government. So here is what I will do:

Link to our new textbook: [www.mynelson.com](http://www.mynelson.com)

Username: science10

Password: NLsci10

If you haven't done so already, sign up for a CDLI account at <https://cdli.ca>

Go to Learning Content (in the black box at the bottom of the page) or use this URL:

<https://www.cdli.ca/learning-content/science/science-1206/sci1206.html>

Select Science 1206 (or any other course you want to work on!)

We were working on unit 3 when school shut down. You can review some of the unit content and then move on to unit 4 when you feel ready.

Work through the material. If you need clarification, I am only a quick email away (: [randypenney@nlesd.ca](mailto:randypenney@nlesd.ca))

I will provide the unit 3 workbook and some practice sheets.

***Stay safe and lay off the potato chips!!***
